12 Chamberlain Avenue

Two full kitchens. Flexible living. Exceptional space.

Price upon request

- Upper level: living and dining under vaulted ceilings, a kitchen with stainless appliances, a primary suite with a full bath, two more bedrooms and a full bath
- Lower level: a fourth bedroom, a full bath, a family room and a second full kitchen with access to the yard
- About 2,512 square feet, 4 bedrooms and 3 full baths, in one single-family bi-level
- Attached 2-car garage and an oversized driveway
- Deep fenced yard with a Trex deck, motorized awning, pavers, sport court, landscaping and a shed
- NYC-bound bus service one block away

The upper level is bright and open: a living and dining room beneath vaulted ceilings, a kitchen with stainless appliances, a primary suite with its own full bath, two additional bedrooms and a second full bath. The lower level adds a fourth bedroom, a third full bath, a family room and a second full kitchen with direct access to the yard. It is space for guests, a home office, a gym, or simply room to spread out, inside the same single-family home. A Trex deck with a motorized awning, extensive paver hardscaping, a basketball and sport court, mature landscaping and a storage shed sit in a private fenced yard. An attached 2-car garage and an oversized driveway are at the front. NYC-bound bus service is one block away, with quick access to Routes 46, 80 and 17, the NJ Turnpike, MetLife Stadium and American Dream. Shopping, dining, parks and schools are nearby.
